Recorded with the observation that the Demand, Collection and Balance Statements in respect of Holalkere, Hosadurga and Challakere Municipalities were received along after the due date The Presidents are requested to see that such delays are avoided in future

2 The total demand under all heads during the quarter (including the arrears of previous quarter) was Rs.1,60,845/- Out of this, a sum of Rs 53,021/- only was collected and Rs 21/- remitted, leaving a balance of Rs 1,07,803/- to be collected at the close of the quarter

3 Octroi - The entire demand of Rs 14,428/- under the head was collected during the quarter

4 Assessed Taxes - The outstanding arrears under this head at the end of the previous quarter were Rs 48,564/- According to the figures furnished by the Presidents of the Municipalities in their D C B statements for the quarter in question, the total works up to Rs 49,406/- There was thus an increase of Rs 842/- This was due to the revised figures having been adopted by the Municipalities of Hosadurga, Holalkere, Molakalmuru and Naikanahatty The Presidents concerned should have furnished proper -- reasons as to the circumstances under which they had to adopt the revised figures Pending receipt of proper explanations, the revised figures have been adopted provisionally

4(a) In respect of Holalkere and Naikanahatty Municipalities the closing arrears for the quarter ending 30th June 1941, were furnished to be Rs 2367/- and 734/- respectively How the sum of Rs 1771/- and 1421/- respectively were shown to be the opening arrears for the quarter ending 30th September 1941 (in respect of the Municipalities of Holalkere and Naikanahatty) requires to be explained

4(b) Under the head demand for the quarter i e for the current year a sum of Rs 122/- only is furnished by the Hiriyur Municipality while no demand is furnished in respect of the Holalkere Municipality The attention of the Presidents of these Municipalities is drawn to G O No L 4196-206 Ml 95-32-5 dated 13/17th December 1932 wherein it is required that one half of the annual demand should be shown in the D C B statements for the first and third quarters only The Presidents concerned should note the instructions for their guidance

4(c) The Provisional demand for the quarter was Rs 34,519/- The total demand including the arrears for the previous quarter was Rs 83,925/- Out of this, a sum of Rs 8,176/- was collected and a sum of Rs 21/- remitted, during the quarter, leaving a balance of Rs 75,728/-

4(d) The collection work was not satisfactory in any of the Municipalities The Chief Officers in respect of the Chitaldrug and Davangere Municipalities and the Presidents of the other Municipalities should realise their responsibility towards this important work Their attention is drawn to G O No 7526-36 Ml 244-31-1 dated 7th May 1932, in this connection They should note that they --

that they would be held personally responsible for prompt collection of Municipal dues

5 Other Taxes - Out of a total demand of Rs 62,492/- including the arrears of previous years under this head, a sum of Rs 30,417/- was collected leaving a balance of Rs 32,075/- This does not go to the credit of the executive staff of the Municipalities The arrears are heavy and should be collected immediately

6 General - The collection work is far from satisfactory in most of the Municipalities The Presidents of all the Municipalities, the Chief Officers of Chitaldrg and Davangere Municipalities should realise their responsibility in this important work They should bestow special attentin towards collection work and show tangible progress in this direction during the current and subsequent quarters

By D. N. Deputy Commissioner

Review on the D.C B statement of Municipal revenue of the several Town and Minor Municipalities in the Chitaldrug District for the quarter ending 31st March, 1942

The returns from the Presidents of Chitaldrug, Holalkere and Nayakanahatti Municipalities were received in this office after the due dates inspite of repeated instructions issued to them to avoid delay. The Presidents should see that such delays are avoided in future.

2. The total demand under all heads during the quarter (including the arrears) was Rs. 2,08,599/-. Out of this, a sum of Rs. 87,465/- was remitted, and a sum of Rs. 162/- was leaving a balance of Rs. 1,20,972/- to be collected at the close of the quarter.

3. Octroi The entire demand of Rs. 19,871/- under the head was collected during the quarter

4. Assessed taxes A sum of Rs. 64,723/- was outstanding at the end of the previous quarter. The demand during the quarter was Rs. 37,583/- The total demand including the arrears was Rs. 1,02,306/-. Out of this, a sum of Rs 19,115/- was collected and a sum of Rs 18/- remitted during the quarter leaving a balance of Rs. 83,173/- at the end of the quarter. The percentage of collection is noted below

Very poor

Chitaldrug	10.2%	Hosadurga	11 5 %
Davangere	18.5%	Holalkere	27.8 %
Harihar	25.6%	Jagalur	14.1 %
Chellakere	18.3%	Molakalmuru	21 8%
Hiriyur	23.4 %	Nayakanahatti	25.5%
		Mayakonda	29.7 %

The collection work is very unsatisfactory in all the Municipalities The collection in Chitaldrug Municipality is the poorest being as low as 10.2% of the demand. The Chief Officers of the Chitaldrug and Davangere Municipalities who are mainly appointed for collection work, appear to be very indefferent and have not bestowed any attention to reduce the heavy arrears

The Presidents of these Municipalities are requested to obtain their explanations for the poor collection. If there is no tangible improvement in collection they will have to be reported against The collection in the other Municipalities is also not satisfactory They will submit fortnightly progress report showing the progress of collection work Their explanation for poor collection should be submitted

5. Other taxes.

Out of a total demand of Rs 86,422/- including the arrears of Rs. 28,007/-, a sum of Rs. 48,479/- has been collected and a sum of Rs. 114/- has been remitted leaving a balance of Rs. 37,799/- at the end of the quarter There is a heavy balance of 31,595/- to be collected under miscellaneous taxes in the Davangere Municipality The President is requested to take prompt action to realise the arrears

General.

The collection work is far from satisfactory in all the Municipalities. The Presidents and the Chief Officers of the several Municipalities should take systematic and energetic and prompt action to bring down the heavy arrears.

Letter No H C 142/42-43 dated, Davangere, 10th November 1942, from the President, Town Municipal Council, Davangere, to the Deputy Commissioner, Chitaldrug District, Chitaldrug

---

With reference to your memo No V Per Q-1/42-43 dated 3rd instant forwarding your review on the D C B , statement for the quarter ending 30-9-1942 and calling for my explanation for the poor collection of taxes during the said quarter, I have the honour to submit that the period of first three months commencing from the official year is not generally the collection season in this Municipality This year, the collection during the 1st three months was not up to mark due to the following reasons -

The whole Municipal Staff, as you are kindly aware, was busy in connection with the gracious visit of His Highness the Maharaja during the month of July 1942 In the month of August 1942, there were disturbances in this town and it was found unsafe to move about in this town during the period and the collosal loss of properties belonging to Government during the disturbances by the action of the hooligans had a very bad effect on the people and no collection could be made in this confused state of affairs Government are kindly aware of these facts Besides this, there has been Cholera Epidemic in this town since the 22nd July 1942 There has been very heavy mortality in the villages situated in close proximity to this town and the Chief Officer and the staff had to devote greater part of their duties to the prevention and also th check of the spread of the infection in the town Collection work could not be pushed through in this state of affairs Due to stoppage of Goods traffic, the trade conditions were very bad and the people were financially affected There is no slackness or indifference on the part of the Chief Officer who has attended to other important duties in the period as detailed above

The collections have much improved during the month of October 1942 due to the e ertion of the Chief Officer The whole collection staff under the supervision of the Chief Officer has been doing good work now as this is the collection season in this town and I am quite confident that during the quarter ending December 1942 very good progress will be made in this behalf

Subject - Unsatisfactory collection in Chitaldrug Municipality.

Adverting to your D.O letter No 9923 dated the 3rd instant, calling for the explanation of the President, Chitaldrug Town Municipal Council, regarding the poor collection of Municipal taxes, I have the honour to enclose herein a copy of letter No.H C 44/42-43 dated the 21st November 1942, explaining the circumstances under which, satisfactory collection could not be made.

2. In this connection, I may state that Mr D Narasimha

Rao R

D.Narasimha Murti Rao, the then Chief Officer of the Municipality has been reverted to his permanent place and the new Chief Officer is stated to be making earnest efforts to reduce the heavy arrears outstanding On receipt of the Demand, Collection and Balance statement for the quarter ending 31st March 1943, I shall make a further communication intimating the progress of collection.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

mns.

Letter No.H.C.44/42-43 dated 21st November 1942 from the President, Town Municipal Council, Chitaldrug, to the Deputy Commissioner, Chitaldrug District, Chitaldrug.

With reference to your Memo No C Per 19-4/41-42 dated 25th September 1942, calling for a report in the matter of collection of arrears of Mohatarfa Taxes in this Municipality and directing that the Conveyance Allowance of the Chief Officer may be disallowed for a month etc , I have the honour to state as follows -

In consequence of outbreak of Plague in this town for about 5 months in the first part of the previous official year (41-42), many houses in the town had been vacated and were reoccupied in the middle of January 1942. The progress of collection during this period was not appreciable the total collection for the 1st half year of 1941-42 being Rs 1,617/- against Rs 4,635/- for the corresponding month of the previous year (40-41) Besides, the services of one of the Bill Collectors had been lent to the Assessing Officer for revision of assessment from 1-7-41 to 20-10-41 and when the revision work as postponed, this Bill Collector resumed his normal duties, but he was granted leave for about 2½ months on account of ill-health. The collection work was speeded up in the 2nd half of the previous year, the total collection during the 2nd half year being - Rs 10,527/- as against Rs 8,777/- for the corresponding period of 40-41.

There being only one permanent Bill Collector in this Municipality, another post of permanent of Bill Collector was sanctioned as per G O. No L.9779-80/ dated 14-4-1942 and the vacancy was filled up in the last week of May 1942.

The arrears outstanding collection on 1-7-42 amounted to Rs 14,134/- against which a sum of Rs 1,552/- has been collected up to the end of September 1942 as against Rs 364/- for the corresponding quarter of the previous year, as detailed in the margin. A sum of Rs 3272/- has been collected up to 20th November 1942 (inclusive). Coercive steps are being taken against the defaulters, the number of notices and Distraint Warrants issued from 1st July 1942 up to date being 324 and 50 respectively.

	1941	1942
July	218	647
August	99	539
September	47	366
Total -	364	1552

4. Kenchappa, Bill Collector, appointed as per Deputy Commissioner's Order No S 2 L Dis 3577/41-42 dt of 7-9-42 resigned his appointment after

after working for a few days in the month. Another hand by name Sye Abdulla posted to this Municipality as Bill Collector (vide Deputy Commissioner's Memo No S2 L Dis.3577/41-42 dated 13-10-1942) also resigned his appointment from 16-11-1942 after working for about 3 weeks. Due to the resignation of these new hands, the collection - work has been handicapped. A separate report has been made in this connection, for posting a suitable substitute.

5. Re stopping of Conveyance Allowance of Chief Officer, I write to state that orders of the Deputy Commissioner in the matter were duly intimated to him and he was further warned that it would be with-held if progress was not shown. He fell ill and was on leave for about 25 days in October 1942. During that period he did not attend to the work. His Conveyance Allowance for November 1942 will be with-held if appreciab progress in collection is not shown this month. I wish to state in this connection that the Chief Officer is bestowing his personal efforts with regard to collection work and coercive steps are also being taken against the defaulters. In addition, as the records of the preceding years show the 1st half of any year is not favourable for a good collection. It is only tangible collection can be anticipated during harvest seasons (2nd half of official years). A comparative statement of collections made during the past 3 years is enclosed for kind reference.
